Cayman Crime Stoppers (CCS) is a non-profit, civilian run organization formed to help prevent and solve crime. Working in partnership with the community, the Royal Cayman Islands Police Service (RCIPS) and the media, it has become one of the most effective crime solving tools available to local law enforcement agencies.

CCS provides a safe and secure means for anybody with information about a crime to give it freely whilst protecting their identity. It could also earn them a reward of up to \$1,000.

With your help Cayman Crime Stoppers can significantly reduce crime in the Cayman Islands and keep our streets safe.
